## 2016 BMEA at OTC

As a co-sponsor of OTC 2016, the Petroleum Division of ASME invites you to enter the 33rd Annual Woelfel Best Mechanical Engineering Achievement Award (BMEA), open only to OTC 2016 exhibitors.

This prestigious award recognizes a product, device, or system displayed at OTC that best represents innovation and/or practical use of mechanical engineering in solving problems, improving design, or maximizing performance.

**The deadline for the Woelfel BMEA is March 1, 2016.** For additional information or to obtain an application, visit the [website](#) or contact: Kim Miceli, [micelik@asme.org](mailto:micelik@asme.org).

## Stay Safe and Avoid Scams

- Only select vendors are approved to contact exhibitors about exhibit services and sponsorship opportunities. Experient is the official registration and housing contractor for OTC. **No other hotel/housing provider is authorized to contact you** on OTC's behalf.
- Be cautious of any company claiming to sell or rent the OTC attendee list.
- Austrian-based Construct Data Verlag AG and Mexican-based Expo Guide are not authorized to contact OTC exhibitors.
  - OTC has no association with these companies, nor have we authorized them to use our name or trademark.
  - If you have any concerns about these companies, you should address them to the Office of Fair Trade or equivalent for your country/US state.

OTC recognizes innovative technologies each year with the Spotlight on New Technology<sup>SM</sup> Award.

This awards program is exclusively for OTC exhibitors and showcases the latest and most advanced technologies that are leading the industry into the future.
